2. All cattle officially entered in the CJAA Field Day are also officially entered in this division if they qualify.
3. Females must have been purchased at a California Angus Days Sale or the 1988 (only) American River Classic Sale, by the exhibitor or produced by a female purchased at one of these two sales by the exhibitor. Offspring (heifers or bulls) are acceptable for showing as long as the female that was purchased originally appears on the registration papers (three-registration time span). Transfer of original purchase (to any junior, family member, etc.) shall void said original purchase. Offspring of the “bulls” are not eligible for showing.
